RESERVATION DEPOSIT

A deposit of 50% of each course fee is required to reserve class space and dates. The balance of the course fee is due on the scheduled date. Sailing lessons are scheduled on a rotating basis and times must be reserved for space in each desired class. Each group lesson is limited to a minimum of three students and maximum of four. All onboard sailing instruction takes place on Puget Sound on keel type sailboats over 18' in length. The boat may vary in size from lesson to lesson.

Rescheduling a lesson must be made at least seven (7) days prior to the original scheduled lesson date to avoid a rescheduling charge of \$65. Registrant/Student understands that this rescheduling charge stems from the high cost of boats and instructors to GHSC for "no shows."

Cancellation of a student's participation in a given course must be made at least seven (7) days prior to the date the course begins to avoid a cancellation fee of 30% of the cost of the course. We limit our class sizes to enhance the learning environment by decreasing the student/instructor ratio, so registrant/student cooperation in this regard is appreciated.

Departure times allow no leeway for late arrivals. Wind, rain, and cold are unpredictable elements. Students must be prepared for various types of weather. However, GHSC sailboats do not sail when conditions are not conducive to the level of instruction being given or when safety is at risk (e.g., gale warnings, limited visibility). GHSC has the right to cancel a sailing lesson should GHSC deem weather conditions unacceptable or should there be less than the minimum number of students. Registrant/Student may contact GHSC prior to lesson to establish whether or not weather conditions allow the scheduled lesson to take place. All classes are considered "on" unless canceled/rescheduled by GHSC.

SAILING SCHOOL GUARANTEE

All sailing school classes through Bareboat Cruising are GUARANTEED. If required you may repeat the class or attend review classes for FREE until you successfully pass! Students must participate in all lectures and classes and complete required reading in order to validate guarantee. All regular classes must be completed in 90 days of start of BK1 class. Review or repeat classes must be scheduled within 2 months of final course.
